

Joining WMnet and the Crossover Community

Please visit www.wmnet.org.uk and register with WMnet.

Once registered you will receive an email with your password.

This password can be altered by clicking on 'My Profile' once you have logged in to the Wmnet portal.

Now visit WMnet communities via the link or type in www.wmnet.org.uk/mycommunities

Wait for an email to say you have been accepted!

Then you can login and make use of the community.
